EDUCATION

SECONDARY SCHOOL

Plano ISD Academy HS

2021 -2025

As a student at Plano ISD Academy High School, I'm engaged in an education that's deeply rooted in project-based learning and a STEAM-focused curriculum. Our approach intertwines science, technology, engineering, arts, and mathematics, pushing us to solve real-world challenges in a collaborative setting. This environment fosters not just academic understanding but also critical thinking and creativity.

EXPERTISE

- Web Design
- Database Management
- Back-end Software Development
- Front End JS/TS & C#
- Problem-Solving
- Computer Literacy

GOALS

- Openness to new technologies
